## High Resolution Solutions

The Wells-Gardner 26" LCD Replacement Kit is designed to replace 25" CRT monitors used in the widely popular Cruis'n™ franchise (USA/World/Exotica) sit-down games, as well as the sit-down versions of Off Road Thunder and California Speed. The 26" premium widescreen LCD monitor provides a stunning new look to these games. Provided brackets and bezel, in addition to CGA to VGA capability, makes this kit a very practical replacement choice as well as a stylish upgrade to these popular sit-down games.
